# Broken Star

In this quilt block, there are eight small squares inside one large square.  
Can you find all nine squares?

Quilt Math Scholastic Professional Books

On each line below, write the name of a color that you like. Then color the quilt block.

If the number is	Color the shape
even	_____
odd	_____

Fill in the other shapes with colors of your choice.

On the back of this page, write the largest 4-digit number possible that has a 7 in the thousands place.
